

Pitching Session

Yamkela Nhleko

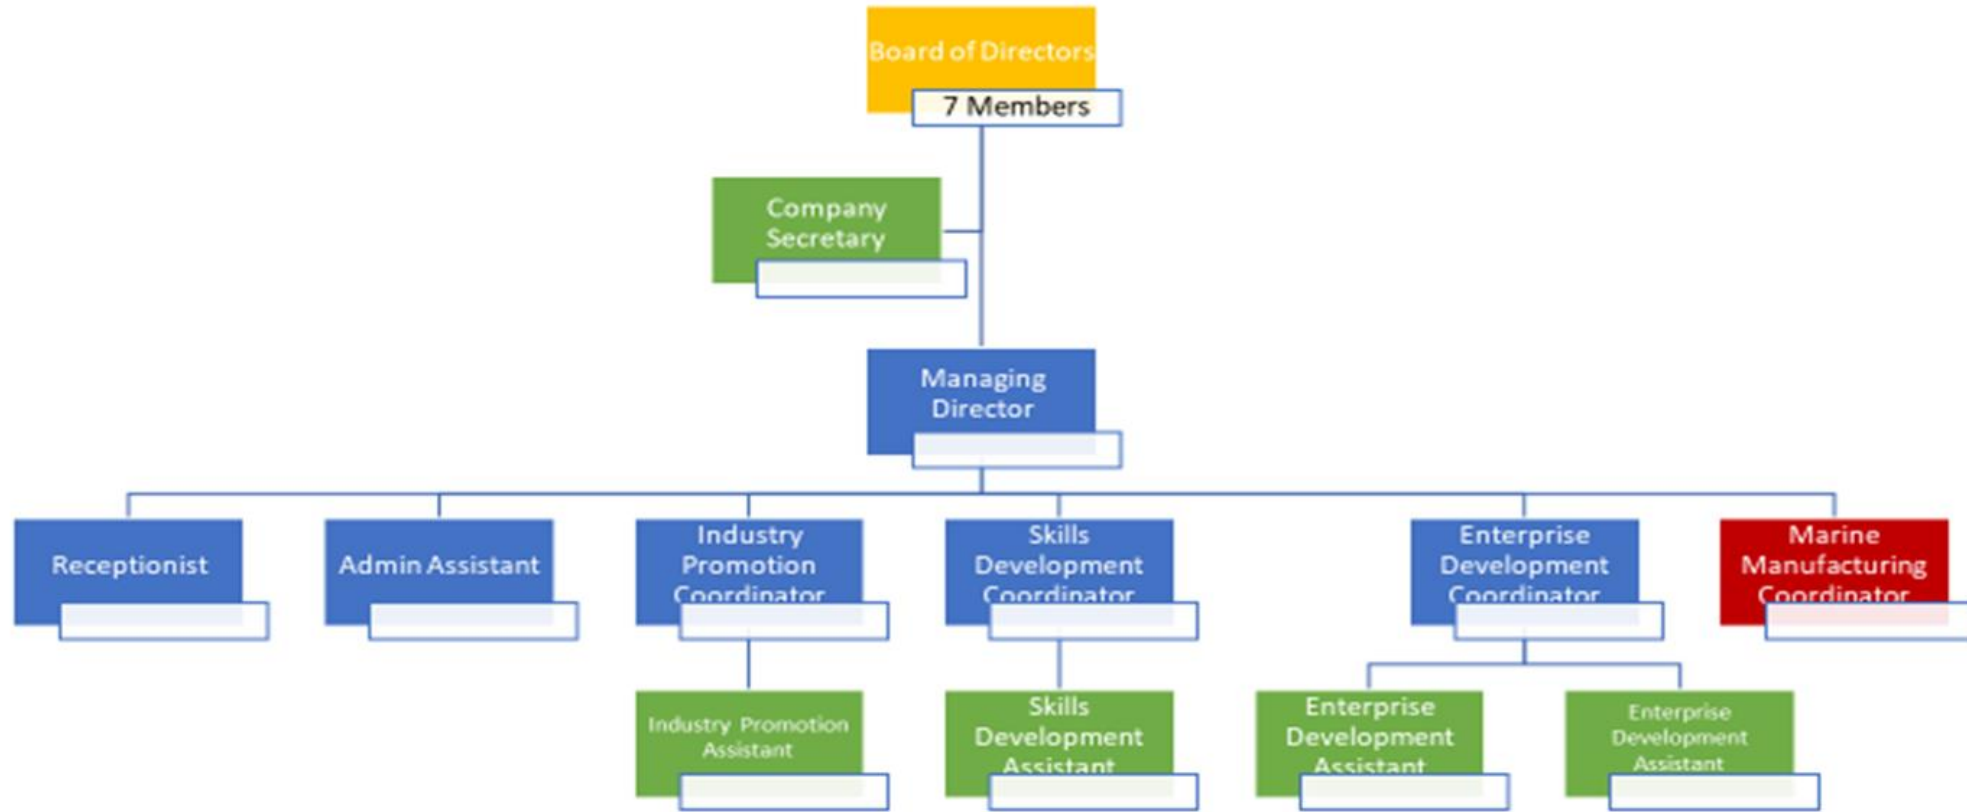

ESD Coordinator

eThekwini Maritime Cluster

- EMC is a non-profit organisation established in 2009 with the mandate to support and promote the maritime industry at local; provincial; and national platforms.
- The cluster's mandate is to bridge the gap between industrial policy and businesses.

Organization has five units:

1. Enterprise Development
2. Industry Promotions
3. Marine Manufacturing and Boatbuilding
4. Training and Skills Division
5. Aquaculture and Fisheries

What EMC is Looking for:

- Collaborative partnerships:
 - SMME support initiatives
 - incubation programme
- Funding

“It takes a village to raise a child”. If the Maritime industry is the child, eThekweni Maritime Cluster is the village, made up of formidable men and women who bring together their strength, wisdom and guidance to nurture this growing child.
