Juan Manuel Revuelta

Finnova is the European foundation that supports the financing of innovation in companies, regions and municipalities. Our areas of expertise include sustainable development, circular economy, water and waste management, employment and youth, ICT and tourism, among others.

Ideal partner in Belgium, Spain, and IberoAmerica. Specialised in European calls such as Horizon Europe, LIFE, Euromed, AI Invest Green.

Industrial Water Startup Europe Awards (SEUA)

The Startup Europe Awards (SEUA) is an **Open Innovation Methodology** implemented by the Finnova Foundation in collaboration with Startup Europe and with the institutional support of the European Commission.

Challenges:

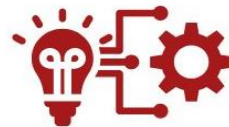

1. WATER REUSE AND DESALINATION
2. DIGITAL INNOVATION AND INDUSTRIAL WATER MANAGEMENT

Industrial Water SEUA

OBJECTIVE: To promote the success of entrepreneurs and SMEs addressing industrial water challenges by supporting them to efficiently access European funds, transforming their proposals into European projects through calls for proposals such as **LIFE, INTERREG EUROMED, HORIZON,** among others.

Casos de éxito:
