The Association of Wood Processors of Kosovo (AWPK) was established in 2004.

AWPK is a nonprofit organization for companies in the wood processing sector.

The role of AWPK is to support these companies, and advocate on their behalf at legislative and regulatory levels.

Mission

Promote made in Kosovo wood products

Identify potential foreign clients and business partners

Increase membership and support our members with participation in international fairs, business missions, meetings and B2B events

Provide professional training for the industry existing and future workforce

Offer guidance to Kosovo manufacturers and help them be competitive in the international and local markets

Assist companies in following global and modern trends in their sector

Give them the necessary support in establishing themselves as well-known brands.
