Enterprise Europe Network

WHAT is EEN?

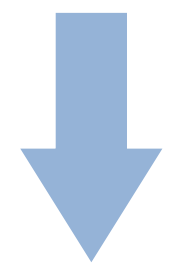

EEN it's the world's largest support network for small and medium-sized enterprises (SMEs) with international ambitions.

- Established in 2008, initiated and funded by the European Commission;
- Present in 40+ countries worldwide;
- More than 450 contact points;
- Free, tailored services for SMEs (business cooperation, technology transfer and innovation, matchmakings and company missions, digitalisation, sustainability, access to funding, advice on IPR, EU rules and market access)

Enterprise Europe Network

HOW it works?

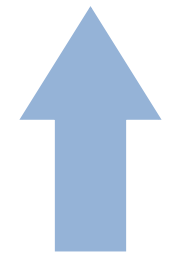

Singaporean SME

Singaporean EEN

Foreign SME

COMMERCIAL cooperation
TECHNOLOGICAL cooperation
RESEARCH cooperation

Foreign EEN

Enterprise Europe Network
