Vision

To allow sciences, culture, innovation and entrepreneurship to flourish
Acknowledgements

Corallia Clusters Initiative is hosted at the Research Center "Athena", under the auspices of the General Secretariat for Research and Technology of the Hellenic Ministry of Education, Research and Religious Affairs.

Corallia's activities are financed by the European Regional Development Fund (ERDF), the COSME programme for the Competitiveness of Enterprises and SMEs, the Horizon 2020 Research and Innovation programme and donations from the private sector, foundations and other benefactors.
