Save the date: Clusters in Smart Cities

Date

November 14th, 2017

Time

14:30h-16:30h

Location

Smart City Expo World Congress
(Gran Via Venue)
CC1 Area, Room 1.2
Av. Reina M^a Cristina s/n
08004 Barcelona – Spain.

Preliminary information

Objective

Explore collaboration areas and find partners across the smart city value chain.

Target audience

European clusters working on the smart city sector

What to expect

- Gather insight on the “H2020 INNOSUP-01: Cluster facilitated projects for new industrial value chains” call for proposals and on successful cluster experiences.
- Analyse some of the main challenges on smart cities through experts, cities and cluster experiences.
- Generate ideas and build consortiums for the H2020 INNOSUP-01 Call for proposals in order to tackle these challenges.

Participation fee

Session free of charge.
Visitor pass needed (Special conditions for the first 20 clusters to register)
