[GREENTECH-PROJECT.EU](https://greentech-project.eu)

This three-day visit aims to introduce you to the key players in Estonia's vibrant entrepreneur and investment community and will provide you with a comprehensive understanding of the Estonian entrepreneurship ecosystem and how it enables the expansion of Greentech ventures.

DAY 1 AGENDA

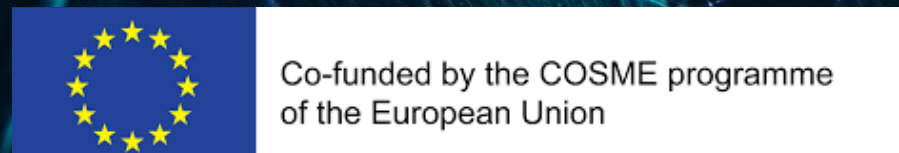

09:00 – 10:00	NETWORKING MORNING COFFEE
10:00 – 11:00	PROTOTRON
11:00 – 12:30	TEHNOPOL START-UP INCUBATOR + NATO DIANA ACCELERATOR
12:30 – 13:30	NETWORKING LUNCH
13:30 – 14:30	TEHNOPOL GREENTECH CLUSTER
14:30 – 15:30	INNOVATION LEADERS CLUB + CORPORATE COLLABORATION
15:30 – 17:00	CAMPUS WALK AROUND + NETWORKING MEETING WITH COMPANIES

The first day we will introduce the opportunities and services that we provide to our clusters' members and exactly how are we leading the green technology progress in Estonia. We will start with Prototron program, that will provide help for entrepreneurs who only have a team and a dream, how they fund their program and how the deal-flow to Tehnopol Start-up Incubator works. The agenda continues with Tehnopol Start-up Incubator introduction and DIANA program (NATO Accelerator Program), followed by Tehnopol Greentech Cluster introduction and the presentations will end with Innovation Leaders Club introduction, that supports collaboration between SMEs/start-ups and Coprorations.

After the presentations we will continue with a campus visit and networking with companies.

**The final list of hosting companies will be selected once we know who the visitors are and what are their interests)*

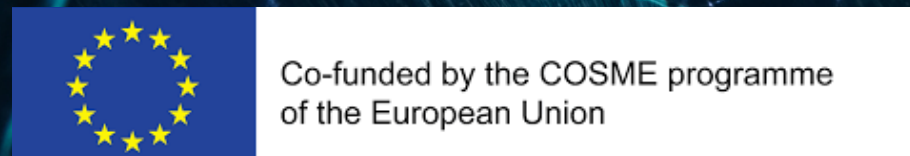

DAY 2 AGENDA

09:00 – 10:30	E-ESTONIA BRIEFING CENTER
11:00 – 12:30	ACCELERATE ESTONIA VISIT
12:30 – 13:30	NETWORKING LUNCH
14:00 – 15:30	CITY OF TALLINN VISIT - INNOVATION IN THE CITY
16:00 – 17:00	ESTONIAN BUSINESS ANGELS - GREENTECH INVESTMENTS

The second day we will visit e-Estonia briefing center, where visitors will be given an inspirational introduction to the underlying mechanisms of digitalising the Estonian society and its major success stories. It includes an overview of the main challenges and policies, as well as an understanding of the infrastructure, e-solutions, and services with examples. This presentation given by one of e-Estonia's Digital Transformation Advisers. The day continues with a visit to Accelerate Estonia who supports and funds collaboration between the public and the private sector. After this visit we will have a session with a representative from the City of Tallinn and the visitors can ask questions regarding collaboration with the private sectors and Tallinn as the Green Capital of Europe. We will finish the day with a meeting at the Estonian Business Angels Network, to have a overview of investment trends in Greentech.

DAY 3 AGENDA
