PRESS RELEASE

Following Hi-Tech-TEX CXCs!

Hi-Tech-TEX - New sustainable and cross-sectorial value chains towards excellence in Hi-Tech Textiles to foster the uptake of innovation and increasing competitiveness.

Hi-Tech-TEX main objective is to strengthen cluster management excellence and facilitate exchanges and strategic partnering between clusters and specialized eco-systems and cities across Europe, including through implementation of the ClusterXchange mobility scheme.

Hi-Tech-TEX partnership integrates Portuguese Textile Cluster/ CITEVE (the coordinator), from Portugal, AEi TÈXTILS, from Spain; ATEVAL, from Spain; NTT, from Italy; DCC TTC, from Turkey; CLUTEX, from Czech Republic.

ClusterXChange at Digital Capability Centre - Aachen

DCC- Aachen is providing support for developing digital solutions for production and provide expertise for implementation in the companies. DCC offers tailored formats for managers and technicians from various industries.

The Hi-Tech-TEX partnership is organising a programme of CXC to support cluster members on monitoring production processes, processing machine data and intelligent assistance systems. The Digital Capability Center in Aachen bring digital solutions by using a real model factory 4.0.

CXC at 17 to 19.10.2023 in DCC Aachen

Hi-Tech-TEX can provide financial support to SMEs through to their participation in a relevant CXC between 17 to 19 October 2023 in Aachen – Germany. The project will cover travel costs, up to 415€ for ClusterXchange

Science Park Borås

Science Park Borås is an open collaborative arena with several actors, such as the University of Borås, the City of Borås, and the Research Institutes of Sweden (RISE). Science Park Borås has a clear focus on sustainability within its three areas of activity: textiles, consumption, and societal development.

CXC at 21 to 23.11.2023 in Science Park Borås

Hi-Tech-TEX can provide financial support to SMEs through to their participation in a relevant CXC between 21 to 23 November 2023 in Borås – Sweden. The project will cover travel costs, up to 475€ for ClusterXchange
