

INVITATION

TO STUDENTS AND RESEARCHERS

We invite you to participate in the INDUSAC project
-students can receive up to EUR 1000 gross/person!

FOR STUDENTS AND RESEARCHERS

Are you interested in participating in an international team of students and researchers?

Would you like to connect with companies and students / researchers from all over Europe?

Would you like to learn about working in a company?

Do you like to solve challenges?

As part of the INDUSAC project, companies will prepare challenges for students/researchers from various fields. Students/researchers will be able to apply to solve these challenges in three- to six- member teams and solve the challenge within 2 months; students will receive a reward for solutions of up to EUR 1000 gross/person.

EXPRESS YOUR INTEREST AND APPLY
