

## Business Mission to Dubai Airshow 11 – 16 November 2017

### THE DUBAI AIRSHOW AT A GLANCE

The Dubai Airshow began life in 1986 as Arab Air. Since then the show has grown and evolved to become one of the largest and most important aerospace events in the world.

A lot has changed since 1986; the dawn of a new millennium has seen unprecedented change in the aviation industry. The Dubai Airshow has helped lead this change by creating a world class exhibition showcasing the latest and greatest in military, general and commercial aviation.

The Dubai Airshow 2015 was the biggest show ever with **1,103** exhibitors from **63** countries, over **66,346** trade visitors, **1,296** international and regional media and an order book of **\$37.2 billion**.

#### AIRPORT SOLUTIONS DUBAI 2017

Covering the full spectrum of the industry, Airport Solutions will encompass a dedicated exhibition area along with a high level conference. This event will be of particular interest to civil aviation authorities, regulators, airport operators and owners.

#### SPACE PAVILION DUBAI AIRSHOW 2017

Space exploration is a national priority for the UAE and this new feature at the Dubai Airshow has been developed to support the government's strategic objectives of building the region's space sector. In addition to the exhibition area the Space Pavilion will host a two-day forum.

#### UAV SUMMIT DUBAI AIRSHOW 2017

The UAV market in the Middle East is growing rapidly - both in terms of the number of UAVs operating and also the increasing investment in manufacturing. The UAV Summit at the Dubai Airshow will feature conference sessions with industry leading experts, flying displays & demo area as well as the UAV exhibition zone.

#### CARGO ZONE DUBAI AIRSHOW 2017

The Cargo Zone will bring suppliers from across the air cargo supply chain together in one location to discuss trends, challenges and the future of the industry. Airlines, airport authorities, freight forwarders and expediting companies along with the vendors will attend this focussed exhibition area and one-day conference.

The Dubai Airshow is located at DWC, Dubai Airshow Site. The Dubai Airshow Site is located in Jebel Ali, it can be accessed from Sheikh Zayed Road (E11), Mohammed Bin Zayed Road (E311) and Emirates Road (E611).

### Shuttle Bus

Frequent Shuttle Buses will run every day of the show to and from key locations and selected hotels in Dubai. We strongly recommend shuttle buses as the most efficient way to get to and from the show.

### Metro

Dubai's Metro system covers many key locations - the nearest stop to the show site is Ibn Battuta Metro Station and will be connected to the show by regular shuttle buses throughout every day of the show.

### Taxi

Taxis are very affordable in Dubai and are available from your hotel or can be hailed on the road. Please note that demand for taxis in Dubai can be high and at peak times such as the end of the show there can be a long wait for taxis.
