

WE INVITE YOU TO BREAKFAST!

The Water Test Network (WTN) project would like to invite you for the FREE breakfast network event on the morning of 7 November, 2019. It is an opportunity to find out more about our test facilities network, the 100% funded support packages and other routes to help SMEs get new innovations commercialized. The breakfast network event is organized as side event to the Aquatech Amsterdam.

Water Test Network

The WTN project will establish a transnational network of testing facilities which can be used by SMEs in North-West Europe (NWE) to develop, test and verify new products for the water sector. In this way, new innovations will be developed and it will accelerate the time to market.

Aquatech Amsterdam

Aquatech Amsterdam is the world's leading water trade show for process, drinking and waste water. Connect with water professionals from over all over the world, in the exciting city of Amsterdam. The Aquatech, part of the Amsterdam International Water Week, will take place from 5 to 8 November 2019. The Water Test Network will have its exhibition booth at **hall 11 - booth 306** during this exhibition.

The Breakfast Event

WTN will organise a Breakfast Network Event at Aquatech (venue: RAI Amsterdam) from 08:15 AM till 10:00 AM. The Breakfast Network Event consists of:

- **Introduction to the Water Test Network project and support services**
- **Case studies from SMEs making use of the project's services**
- **Networking opportunities**
- **A delicious breakfast**

Registration

If you are interested to join this networking session on Thursday 7 November 2019, please send an email to watertestnetwork@scottishwater.co.uk. It is not mandatory to register for the Aquatech to attend this event. More information about the event can be found *here*.
