

# ELBE

EUROPE LEADING BLUE ENERGY

EUROPEAN STRATEGIC  
CLUSTER PARTNERSHIP  
IN BLUE ENERGY

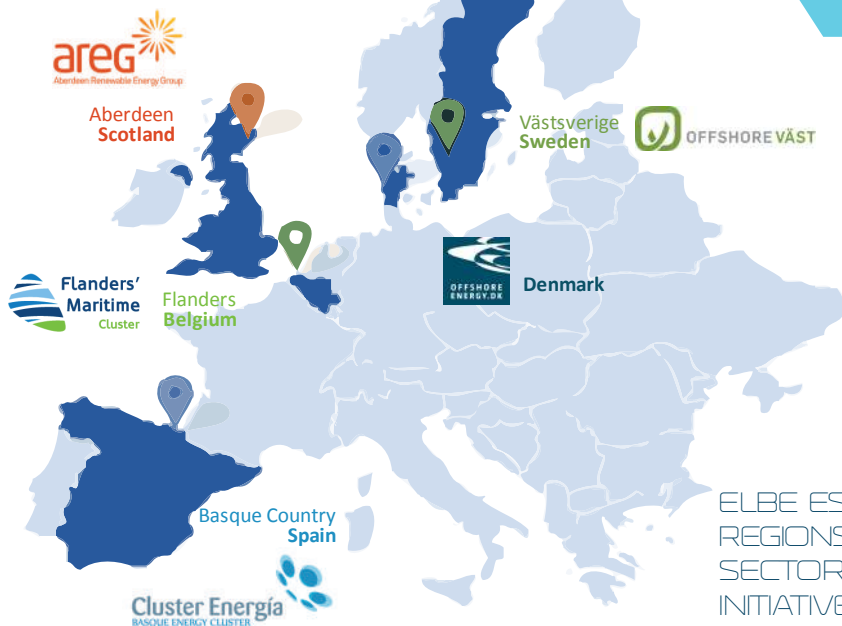

## ALLIANCE KEY FIGURES

ELBE REGIONS HOST OVER 500 COMPANIES INVOLVED IN BLUE ENERGY DEVELOPMENT, WITH 18 TEST&DEMO SITES AND 37 TECHNOLOGY DEVELOPERS IN FLOATING OFFSHORE WIND, WAVE AND TIDAL ENERGY

ELBE gathers five European clusters with top expert companies and R&D organizations in Blue Energy to tackle the expansion of this sector beyond Europe

Initially, ELBE will focus on consolidating the European alliance with the aim to develop strategic collaborations with companies and R&D entities in other leading countries throughout the world
