CLAMTEX is one out of 13 funded consortiums at European level. The CLAMTEX partnership is composed by five clusters, [AEI TÈXTILS](#) in Catalonia, [ATEVAL](#) in Valencia, [PRODUCTECH](#) and the [Textile Cluster](#) both in Portugal, and [EMC2](#) in France.

The project, co-funded under the COSME program from the European Union, aims to strengthen cluster management excellence to boost the specialized technical textile innovation eco-system by promoting the cross-sectoral and cross-regional collaboration to facilitate the uptake of digitalization within and beyond the partnership.

CLAMTEX will also implement the ClusterXchange pilot scheme to facilitate SME international experiences across Europe for generating business and innovation opportunities.
